

FINDING AID FOR NORTHAMPTON PHOTOGRAPHS : STREET INDEX

This is a partial list of images in the Northampton photograph collection in the Forbes Library Special Collections. Call numbers and locations in the right column refer to a folder which contains one or more images of the address listed. Images may be in the form of photographs or clippings.

Most of the photographs in this collection date from the late 19th and early 20th centuries. There are additional images and indexes in the Special Collections room. This index is by street address only. If you are looking for an image of a person or a subject not listed here, please call Special Collections at (413) 587-1013 so we can search for it.
