Welcome to Summer Reading!

To build your crown:
1. Cut out the crown at the bottom of the page and tape the ends together. You can add a strip of paper in the back to make it longer!
2. Complete 10 of the challenges on the gems.
3. When you complete a challenge, cut out the gem and glue it onto your crown!

When you have 10 gems on your crown, we'll make a donation to a charity in your honor! Email us at childrens@forbeslibrary.org with your name and which charity you'd like us to donate to: The Food Bank of Western Massachusetts, The Northampton Survival Center, or the Dakin Humane Society.
